

On Thursday September 20th, Milmine Insurance Management hosted a BBQ to raise money and food for the Local Stoney Creek Food Bank. Along with a donation of 30 fleece blankets the BBQ raised a total of \$1,000 plus two shopping carts full of food for the Stoney Creek Community Food Bank.

"The Stoney Creek Community Food Bank provides an essential service for our community residents, and so it is our pleasure to fundraise this year on their behalf," stated Mary Pender, Milmine Insurance Management. "Many of us do not know what it's like to wonder where our next meal will come from, and for those who do experience this uncertainty on a regular basis, the Stoney Creek Community Food Bank is a big support. We are hopeful that the blankets, food, and monetary donations raised today will assist the Food Bank in their sustained efforts to make a difference in the lives of Stoney Creek residents." A big THANK you to the Stoney Creek Legion for their support also!
