

(Welland, Ontario), August 24th, 2012. Yesterday, Verge Insurance Brokers of Welland hosted their first annual community BBQ, with all proceeds going to the Brain Injury Community Re-Entry (BICR) of Niagara. The BBQ raised \$1,000 for Brain Injury Community Re-Entry of Niagara along with a donation of 50 fleece blankets to be used in their programs.

Brain Injury Community Re-Entry (BICR) was this year's charity of choice for the Verge Insurance Brokers office in Welland. Founded in 1988 by a group of concerned parents and professionals, BICR is a non-profit organization that provides support services and rehabilitation to individuals living with the effects of an acquired brain injury. The organization works as a leader in the field of brain acquired injury rehabilitation and provides advocacy for the successful re-integration of individuals with brain injuries into the community.

"The work of the Brain Injury Community Re-Entry organization is invaluable within our community, so we are proud to be fundraising on their behalf this year," stated Frank Stewart, Vice-President of the Verge Insurance Brokers. "Our community continues to thrive thanks to the work of our local charities, and our hope is that the donations collected this year will assist the BICR in their efforts to make a difference in the lives of those living with an acquired brain injury."
